AD4L Chair Report – September 2024

This month our group numbers continue to be around 40 members each day. We have a range of rotating members for each of the service positions and are able to fill them each day.

This month we have started more regular training sessions. These are held generally at 6.30am SATURDAY, once or twice a month. We had 6 people there this month. Members are able to ask any technical questions, learn more about the position descriptions and practice doing the many daily AD4L jobs. No matter if new to service or currently scheduled – all are welcome to join!

We also introduced our first OA SPONSORSHIP PANEL. This is a monthly meeting focused on sponsorship. It is a new registered OA meeting and listed on their website oa.org. The reading at first meeting started with “You can help when no one else can” from page 89 in Chapter “Working with Others” in the Big Book.

Our Greeters continue to send out welcome packs each day to new and returning members and we continue to see new members returning and enjoying the meeting. The feedback I received this month from a newcomer was that they saw "hope" in this meeting.

Keep it up everyone.

Yours, in gratitude & service,
Stef
